

ONTARIO, QUEBEC & ATLANTIC CANADA CONSUMER ALERT

Voluntary Recall of Limited Number of Miss Vickie's® Potato Chip Products In Ontario, Quebec and Atlantic Canada Due To Possible Extraneous Glass

The wellbeing of our consumers has always been our top priority as we've crafted our products with care since 1987. Today we announced a voluntary recall in Ontario, Quebec and Atlantic Canada for a limited number of Miss Vickie's® potato chip products, made in Canada at a single location, due to isolated reports of the presence of a small piece of glass found at the bottom of the bag. A small number of consumer concerns related to this matter have been reported to date. One minor dental injury has been reported to-date. Our organization is working closely with the Canadian Food Inspection Agency (CFIA) to coordinate the recall.

These products were sold in Ontario, Quebec and Atlantic Canada only. We have initiated this voluntary recall out of an abundance of caution and care for our consumers.

The impacted products are as follows – it's important to note the "Guaranteed Fresh" dates and "Manufacturing Codes" as these are the only products included in this recall.

No other Miss Vickie's® products are included in this recall. No other "Guaranteed Fresh" dates or "Manufacturing Codes" for these specific Miss Vickie's® products are included in this recall. No Miss Vickie's® products sold outside Ontario, Quebec and Atlantic Canada are included in this recall.
